Our daughter Zo Zo was a pink alien for the day and had all her friends and family celebrate her 4th birthday with her at AVMG. We all had an awesome time and will never forget the exprerience! Dana and Mark did an amazing job to make it a memorable event for the group – earthlings and aliens alike! We would highly recommend Alien Vacation Mini Golf to anyone!

My daughter had her 10th BIRTHDAY PARTY at Alien Vacation. What a BLAST! Everyone at the party will ALWAYS remember it!

Fun, cool effects, put-put and a very unique party!

Dana especially made the party a day never to forget! She is the BEST party LEADER this side of MARS!

So ATTENTION all Earthlings, if you want a party that will be talked about for years go to Alien Vacation!
